COMPANY

CEO Message

Partner with SAVE INC. and succeed in global network business.

Dear Valued Partners,

I founded SAVE INC. in 1988 with a passion for global network business that still burns within me today, 35 years later. I have come to understand that true business success is built upon sincere partnerships, and I am proud to say that SAVE INC. has always upheld this belief.

I extend a warm invitation for you to join us as a partner, not just a customer, in creating new value and achieving success through our strong global network. Let us work together and leverage each other's expertise and resources to reach new heights.

I am confident that our partnership will bring mutual benefits and I eagerly anticipate embarking on this journey together.

Sincerely,

S. C. Jeon
CEO & President

COMPANY

Business Overview

01 Manufacturing

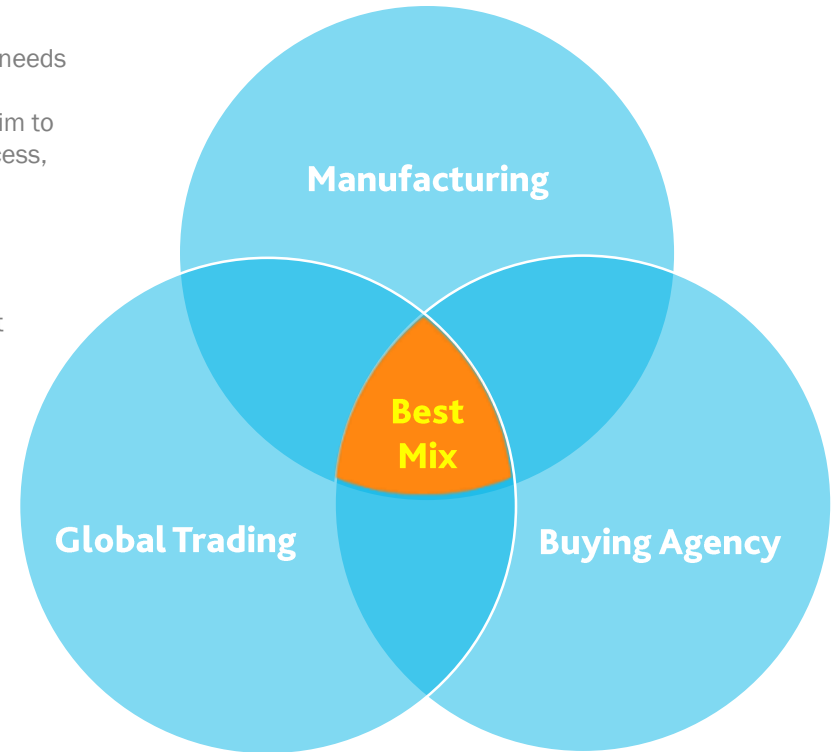

At SAVE INC, we specialize in manufacturing customized products to meet clients' needs while ensuring affordability and maintaining high quality. Our strict quality control processes guarantee the highest standards for every manufactured product. We aim to be a reliable partner throughout the product development and manufacturing process, with a focus on direct manufacturing and OEM/ODM manufacturing.

02 Global Trading

We take great pride in being the top experts in global exporting. We carefully select and curate a collection of high-quality products from all around the world to meet the unique needs of our valued international customers. Our unwavering dedication to precision and attention to detail sets us apart as leaders in the exporting industry.

03 Buying Agency

With over three decades of experience, we have established ourselves as a trusted buying agency, sourcing suitable products for major retailers and wholesalers while maintaining strict quality control. Our expertise in cost reduction, quality control, and efficient trading services has earned us recognition as a reliable partner by most of our long-standing clients.

Ideal Combination of Manufacturing, Trading, and Product Sourcing

BUSINESS

BUSINESS

Total Buying Agent

Customized OEM/ODM Manufacturing for YOU

Since 1988, for the past 37 years, SAVE INC. has been dedicated to providing exceptional value to global clients as a trusted partner. We source the best manufacturers in Korea, China, and Southeast Asia to deliver customized OEM/ODM products on time while minimizing risks, thereby building long-term trust with our clients. SAVE INC. has been recognized by the Korean government as the leading total buying agent in the country.

01 Product Sourcing & Supplier Identification

We locate the best suppliers to meet clients' specific needs by leveraging our local networks.

02 Quality Control

Rigorous inspection before and after purchasing ensures compliance with clients' standards.

03 Price Negotiation & Contract Management

We secure favorable terms to optimize costs, utilizing our negotiation expertise.

04 Logistics & Delivery Management

SAVE INC. oversees packing, customs clearance, and transportation, ensuring timely and safe product arrival.

05 Risk Management

We proactively address potential claims, delays, or quality issues.

06 Market Research & Trend Analysis

We keep clients informed about market trends, helping them make strategic purchasing decisions.

We ensure everything is handled with strict **Accuracy** at SAVE.

VARIETY

SAVE offers you a wide **Variety** of products and innovative ideas.

ETERNITY

SAVE is committed to being your **Eternal** partner.

COMPANY

Why Us ?

MITIGATE RISKS

Navigating the complexities of international business is inherently risky, with the potential for claims, receivables, payments, and more. This is where SAVE INC comes in, offering a simple and effective solution. As our motto suggests, "SAVE yourself from risk by doing business with SAVE INC." We have established ourselves as a trusted and reliable partner, holding the title of "Specialized Exporter" designated by the Korean government and boasting a sterling record of high performance and outstanding credit.

OPTIMAL CONDITIONS

With SAVE, you don't have to worry about pricing and quality control. We excel in managing a wide variety of products and manufacturers, securing top-quality factories with better terms than you would get if dealing directly with them. Our competitive pricing is maintained through bulk orders, prepayment, bargaining power, and long-term relationships built on trust.

EFFORTLESS & EFFICIENT BUSINESS

With over 30 years of experience in the trading sector, our multilingual and skilled staff will help you conduct your business quickly, accurately, and effectively. SAVE removes the inconvenience of working with companies without trading expertise.

STRONG SOURCING & DEVELOPMENT

If you're looking for better terms or need to develop new products, SAVE's extensive global networks and overseas offices are an invaluable asset. We are committed to being your reliable sourcing and development agent.
